

The Newfoundland Club of NSW Specialty Championship Show was renamed by the Club Members to the "Frances Wilson Memorial Championship Show" the first show being 2022 after Frances passing at the end of 2020.

The Members decided on the new name as a tribute to Frances as being one of the founders of the Newfoundland Club of NSW back in the 1970's. She was always a keen member and served on the Committee, in varied roles, for many years. Frances was granted life membership in 1993.

Frances actively showed her dogs in all states of Australia and was awarded many Best Exhibit in Show with her beautiful Newfoundlands.

Frances was a walking encyclopaedia when it came to the Newfoundland Breed. I don't think there is another person who could match her for her knowledge.

Frances had a very good eye for a dog and seemed to just know which one out of a dozen puppies would be the best.

Most breeders in this country have Planhaven dogs in their lines and we must all thank her for the wonderful legacy that she has left us to carry on with in the future.

MRS S ARCHER (UK)

I live in the South of England in Hampshire, UK and my first Newfoundland came into my life in February 1987. He was a handsome brown male purchased initially as a pet but his breeders persuaded me to show him, and at his first Championship Show he was placed first in puppy dog and qualified for Crufts. I continued to show him with great success and needless to say I became completely captivated by the breed. From that moment I knew that one Newfoundland would never be enough and I currently share my home with five female Newfoundlands ranging from 3 years old to 11 years old.

For the past 36 years I have continued to be involved in all aspects of the breed, enjoying water work and showing and I occasionally breed a carefully planned litter of puppies. I became qualified in 2007 by the UK Kennel Club to award CCs in Newfoundlands and I have judged the breed in England, Scotland, Wales, Sweden, France, Denmark and Germany and I am very pleased and honoured to be asked to judge at this very special event.

AGGRESSIVE DOG REPORTING

Refer

Regulation Part II – Show Section 14.10

- (a) It is the obligation of each owner, exhibitor and handler at a show to take all such steps as may be necessary to ensure that any dog under that person's care or control or for which that person is responsible does not behave in an aggressive manner.
- (b) It is the obligation of any person at a show who observes a dog behaving in an aggressive manner to report the incidence either orally or in writing to a member of the Show Committee as soon as possible after the incident.

SHOW SECRETARY'S MESSAGE

I sincerely take this opportunity of thanking our Judge, Mrs S Archer (UK), for agreeing to take this appointment and our steward, Ms Jeneene Ford, and our representative, Mrs Elizabeth Vassallo.

Without you, the exhibitors, there would be no show, so thank you for your support. Though not everyone can be a winner I do hope that you have had an enjoyable day with pleasant memories and may you all have a safe trip home.

A special thank you to Rosa Lopez for her generous donation to the Club of the Newfy – bibs she makes.

CHAMPION NEUTER GRAND CHAMPION NEWCASTLE THE MAGIC BEGINS

"MAGGIE MAY"

Maggie May is a fun-loving character; her tail never stops wagging and makes me laugh every single day. Maggie collects the letters from the letterbox daily and puts them on the coffee table for a treat of course. Now in retirement from the show ring at 10.5 years Maggie May enjoys the good life with her walks, swims, visiting friends and being a spectator when we attend a show.

GRAND CHAMPION NEWFLABEL STRAIGHTFROMTHEART

"SUMMER"

Summer loves with her whole heart, was a fabulous mother to a beautiful litter is intuitive of my feelings and a beautiful soul. My high-spirited girl who is calm one minute and then full of activity and play the next. She achieved some great awards in the show ring Best in Show, Runner up to Best in Specialty Show with many classes in Group and Show she obtained her Grand Championship title and hung up her paws it was time to retire although not to be left out on show day and still comes along for the outing.

Summer enjoys the challenge of our home-made agility course and keeping active with walks and swimming.

BENEFITS OF DNA TESTING

- *Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals*
- *Allows you to screen for relevant diseases – assess genetic status (CLEAR or CARRIER or AFFECTED)*
- *Screens for desirable traits such as coat colours & hair length*
- *A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees*
- *Focusing your testing on your breeding stock will allow you to predict outcomes for future litters*

SO SIMPLE & PAWFECT...

DNA collection is via a non-invasive cheek swab

Test at any age
